To Whom It May Concern:

“I have had the pleasure of working with Rebecca Hulem over the last year and a half. I had anticipated wonderful things from our association based on a pre-contractual video that she sent me. The actual presentations far exceeded my expectations. Rebecca is a knowledgeable, dynamic and versatile presenter whose ability to interact with the audience is exceptional. She is warm, funny and a delight to work with. Her clinical expertise is varied and vast, and it shows.”
